A Message from Grand Master Giamo:

Please keep your eyes on the white boards for summer announcements. We are also planning some fun activities for the kids like a water balloon night and outdoor workouts.

Also in the planning stages right now is an Eagleville Taekwondo After School Program. We are looking into expanding our facility and starting an after school program that includes a teacher for homework assistance, Taekwondo classes, and activities room, and (hopefully) a music teacher. Look for more information to come out soon. The expanded location will also permit us to run two classes simultaneously. If that happens, look for a change in the Little Ninja class schedule.

PLEASE NO SILLY BANDS IN CLASS. We have already had a minor injury due to someone wearing the Silly Bands in a class, so we now have to ban them. As a reminder, jewelry is not permitted during class.

“Success means doing the best we can with what we have. Success is the doing, not the getting; in the trying, not the triumph. Success is a personal standard, reaching for the highest that is in us, becoming all that we can be. If we do our best, we are a success.” Zig Ziglar
